With **NICHOLAS DOMINGO**  
And surprise celebrity guests

AS SEEN ON:

The Boston Globe

The Hero's Rewrite is a powerful 3-day experience for teens that helps them explore bullying from all sides—whether they've been hurt, done the hurting, or just want to grow. Led by author, actor, and model Nicholas Domingo, The Hero's Rewrite features powerful sessions alongside surprise appearances from celebrity guests. Through reflection, group activities, and creative storytelling, participants take control of their own narrative. It's more than a workshop—it's a chance to become the hero of your own story.
